No. 482

Introduced by Assembly Member Atkins
(Coauthor: Assembly Member Ian Calderon)
(Coauthor: Senator Block)

February 19, 2013

An act to amend Sections 20053 and 20080 of, and to add Section 20092 to, the Education Code, relating to the California Cultural and Historical Endowment, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

LEGISLATIVE COUNSEL'S DIGEST

AB 482, as amended, Atkins. California Cultural and Historical Endowment.

(1) Existing law, the California Cultural and Historical Endowment Act, establishes the California Cultural and Historical Endowment in the California State Library, and provides that it is chaired by the State Librarian. Among other things, the act authorizes the endowment to make grants and loans on a competitive basis to public agencies and nonprofit organizations, as defined, to encourage development of California's historical and cultural resources and requires the endowment to undertake a comprehensive survey of the state of cultural and historical preservation, accessibility, and interpretation in California.

This bill would transfer the California Cultural and Historical Endowment to the Natural Resources Agency and would provide that the endowment be chaired by the Secretary of the Natural Resources

Agency and that the State Librarian remain as a member. The bill would also make a conforming change.

This bill would authorize the endowment to create a specified competitive grant program to support small capital projects in museums and would require that moneys deposited in the California Cultural and Historical Endowment Fund from the California Clean Water, Clean Air, Safe Neighborhood Parks, and Coastal Protection Fund be made available to the endowment, for the purpose of initially funding the grant program. The bill would, if the endowment creates the grant program, require the endowment to apply, on or before October 1, 2013, to the Department of Motor Vehicles for the purpose of creating a specialized license plate program ~~using the cartoon character Snoopy as created by Charles M. Schulz and made available through the California Association of Museums to assist museums in California.~~ The bill would require that the additional fees collected from the sale of the specialized license plates be deposited in the California Cultural and Historical Endowment Fund, a continuously appropriated fund, to fund the grant program.

(2) By requiring that the additional fees collected from the sale of the specialized license plates be deposited into the continuously appropriated California Cultural and Endowment Fund, the bill would make an appropriation.

(3) This bill would declare that it is to take effect immediately as an urgency statute.

Vote: $\frac{2}{3}$. Appropriation: yes. Fiscal committee: yes.
State-mandated local program: no.
